Newport Scientific Pty. Ltd. and Perten Instruments, Inc. announce distribution agreement for North America

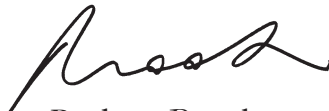

Springfield, Illinois - April 1, 2007 - Newport Scientific Pty. Ltd. (Sydney, Australia) and Perten Instruments, Inc. (Springfield, Illinois) are pleased to announce a sole distribution agreement for North America beginning April 1, 2007. The agreement covers Mexico, the USA and Canada.

Rod Booth, Managing Director of Newport Scientific said "This is a perfect opportunity to build on the synergies between the product lines of the two companies. We believe Perten Instruments, Inc. is the right team to take us to the next level in North America."

"Our mission is to supply quality instruments and support. We look forward to extending these enhanced services to Newport Scientific product users in North America" added Gavin O'Reilly, President of Perten Instruments, Inc.
